2011 Classes

The courses listed below are sponsored by the State Fire Marshal's Office and will need the requirements for continuing education that must be completed every three years by a licensed fireworks/pyrotechnics exhibitor in Ohio. A licensed exhibitor who attends this required program may, within one year after attending, and on an annual basis during the following two years, conduct in-service training using the information obtained in this class. This course is designed to give the officer in charge of issuing a permit information regarding National Fire Prevention Association (NFPA), Ohio Revised Code (ORC) and Ohio Fire Code (OFC) requirements, responsibility, liability and safety.
